FAWWAZ ABOALHASAN

Erbil, Iraq | fawwaz.m.aboalhasan@gmail.com | +964 782 827 5624
Nationality: Iraqi | Arabic (Native) | English (Fluent) | Available Immediately

9 Years Humanitarian MEAL | 6 Countries | 10+ Institutional Donors | 40+ Projects | Teams of up to 28 Staff

Humanitarian MEAL professional with 9 years' progressive field and headquarters experience across Iraq, Ukraine, Hungary, Romania, Greece, and Latvia, providing technical leadership in MEAL system design, implementation, and capacity building for multi-donor programmes in emergency and protracted crisis contexts. Native Arabic speaker fluent in English, experienced in designing and leading country MEAL strategies, needs assessments, baseline and endline surveys, evaluations (DAC criteria), and impact measurement; establishing Feedback, Complaints and Response Mechanisms (FCRM) aligned with Core Humanitarian Standard (CHS); building MEAL capacity of staff and NNGO partners; producing evidence-based analytical outputs for programme adaptation and donor reporting; and managing teams across multiple sites and countries in the sectors of WASH, Food Security and Livelihoods (FSL), Protection/GBV, Child Protection, Education in Emergencies (EiE), Health, Cash/CVA, Shelter/NFI, CCCM, Governance, Social Cohesion, and Access to Justice.

PROFESSIONAL EXPERIENCE

Hungarian Interchurch Aid (HIA) | Budapest, Hungary (HQ; remote coordination to 5 countries)
MEAL Coordinator, Headquarters | November 2025 to August 2026
Donors: US Government, EU (CERV), ESF, ACT Alliance, Hungary Helps Agency | ~$3M portfolio, 16+ projects | Sectors: WASH, Shelter/NFI, Protection/GBV, Education/Youth, FSL, Governance

- Led the development and implementation of the country MEAL strategy across ~$3M portfolio (16+ projects, 6 countries): designed assessment frameworks, performance monitoring plans (PMPs), indicator tracking, KoboToolbox data collection tools, reporting templates, and cross-mission donor reporting systems.
- Managed MEAL positions across country offices; contributed to strategic decision-making as a Senior Management Team (SMT) member; coordinated with 6 consortium NGO partner focal points; delivered remote coaching, technical backstopping, mentoring, and data quality reviews to build partner MEAL capacity.
- Led cross-country MEAL coordination for EU CERV (€656K, 4 countries: Hungary, Romania, Greece, Latvia) and ESF HEART (€583K, 2 countries: Hungary, Romania): designed M&E frameworks, harmonized indicators, and managed partner reporting across missions.
- Designed assessment framework for US Government Bridges of Resilience ($1M, Ukraine) and 12 ACT Alliance sub-grants across 6 Ukrainian oblasts; ensured grant-level MEAL plans aligned with donor requirements.
- Led independent evaluation (€480K programme, Northern Iraq, 6,242 beneficiaries, 3 governorates): developed Terms of Reference (ToR), managed full cycle from design through data collection, analysis, and report drafting, producing capitalization outputs with actionable learning recommendations. Authored MEAL chapters for 3 donor proposals.

Bashtabiya NGO | Baghdad, Iraq
MEAL and Grant Coordinator | June 2023 to July 2024
Donor: GIZ/BMZ sub-grant (€788K; part of GIZ stabilisation programmes) | Sectors: Education, FSL (Livelihoods), Social Cohesion | Team: 28 (13 MEAL + 15 enumerators)

- Built the entire MEAL system from scratch across 4 governorates: designed KoboToolbox forms, qualitative and quantitative data collection tools, field monitoring checklists, indicator tracking sheets, databases, reporting templates, and a Beneficiary Feedback, Complaints and Response Mechanism (FCRM) aligned with CHS.
- Managed a team of 28 staff (13 MEAL officers + 15 enumerators) across multiple field sites; oversaw field data collection campaigns; conducted regular field monitoring visits; delivered capacity building through training, mentoring, coaching, and data quality oversight.
- Oversaw data collection, quality assurance, analysis and donor reporting for the €788K project. Generated evidence-based analytical reports and recommendations that informed programme adaptation; led learning and reflection processes; authored MEAL chapters for 2 donor proposals.

Terre des hommes, Lausanne (Tdh) | Ninawa, Northern Iraq
MEAL Officer | March 2020 to June 2023
Donors: SDC, UNICEF, ECW, ECHO, Tdh core | Sectors: Child Protection, EiE, Access to Justice

- Implemented MEAL systems for Tdh's multi-donor projects (SDC, UNICEF, ECW, ECHO) in Ninawa: indicator tracking, data quality assurance, programme monitoring, donor reporting, and accountability across Child Protection, Education in Emergencies, and Access to Justice.
- Designed KoboToolbox data collection forms and assessment tools for SDC justice programme (~1,000 children/year); supported ECW MYRP (US$23M, 192,000 children, 8 governorates) with MEAL inputs. Adapted monitoring and data collection systems for COVID-19 remote programming (2020 to 2021).

- Supervised 2 MEAL Assistants and up to 10 enumerators conducting FGDs, KIIs, household surveys, and satisfaction surveys; conducted regular field monitoring visits; built staff and partner capacity in data collection, quality assurance, and accountability.

INTERSOS | Ninawa, Northern Iraq
MEAL Officer | February 2019 to March 2020
Donors: ECHO, UNHCR, UNICEF, AICS, EU, SV (Stichting Vluchteling) | INTERSOS Iraq: €11M, 130,300 beneficiaries, 10 projects

- Implemented monitoring, assessments, and accountability mechanisms for INTERSOS projects in Ninawa (ECHO, UNHCR, UNICEF, AICS, EU, SV): data collection, quality assurance, and donor reporting across protection, health, and education programmes.
- Supervised 2 MEAL Assistants and 12 enumerators conducting FGDs, KIIs, household surveys, and PDMs; conducted regular field monitoring visits across Ba'aj, Telafar, and Jeddah IDP camps in conflict-affected areas.

EARLIER EXPERIENCE

Save the Children International | ***MEAL Assistant*** | South Ninewa, Iraq | February 2018 to February 2019
Donors: UNICEF, ECHO, ECW, SIDA, USAID | Sectors: EiE, Child Protection

- Data collection, quality assurance, and analysis for UNICEF-funded Child Protection and PSS programmes across South Ninawa (10,967 case management; 180,331 PSS beneficiaries, all partners). Managed 15+ enumerators across 3 sub-districts; ensured feedback and accountability findings informed programme decisions.

Danish Refugee Council (DRC) | ***MEAL Assistant*** | Ninawa, Iraq | June 2017 to February 2018
Donors: GIZ/BMZ (via WHH consortium lead), USAID, ECHO, UNHCR | Part of US$38M portfolio, 37 projects | Sectors: Cash/FSL, Protection, WASH, Shelter, CCCM

- Monitoring and assessment support during Mosul emergency response: protection monitoring, PDM for Cash and Voucher distributions, and participatory needs assessments across WASH, Shelter, CCCM, FSL, and Protection programmes. Contributed to Cash Consortium of Iraq (CCI, 5 agencies).
- Managed 10 enumerators.

INTERSOS | ***Enumerator*** | Erbil, Kurdistan Region of Iraq | September 2016 to June 2017
Donors: UNHCR, ECHO, AICS | Part of €6.8M portfolio, 14 projects | Protection | Mosul military operation (920,000+ displaced)

- Conducted structured household protection monitoring interviews with newly displaced IDP families during the Mosul military operation; contributed to emergency needs assessments.
